4 Courses

DevOps and Jenkins Fundamentals

Continuous Integration & Continuous Deployment with Jenkins

Continuous Inspection and Configuration Management - Jenkins

Continuous Monitoring with Jenkins & Best Practices

Sep 11, 2025

Edapalapati Sai Eswar

has successfully completed the online Specialization

Jenkins - From Zero to Hero

In this specialization, learners will be involved in creating end-to-end automation pipelines for software development, from code integration to deployment, utilizing Jenkins. This specialization also involves automating testing processes, ensuring code quality, and deploying applications efficiently, thereby solidifying their understanding of Jenkins and its application in real-world scenarios.
